Sadie Hawkins Here Today

Tonight's dance will bring to an end this year's Sadie Hawkins' Day, sponsored annually by the women's organization, Associated Women Students. Dancing will be from 9 p.m. till 1 a.m. in the men's gym, and music will be furnished by Marion Walters' band. Prices are \$1.00 per couple and 75 cents stag, the girl paying, of course.

The day's activities, under the leadership of Betty Ann Cunningham, will start with an assembly in the men's gym at 1 o'clock. Annabeth Bird and Ann Post will render a song or two, accompany-

ing themselves on the uke. Jim Hitchcock will perform and Doctor Hamerslog will recite the background of the origination of Sadie Hawkins' Day.

At 1:30 sharp the chase will begin. This will be the affair that will enable the women to make the kill and grab their men. After the pursuit "Maryin' Sam" will be on hand to hitch any two that wish to tie the knot. But this is as far as you are supposed to go, please.

It has been brought out and emphasized that all students are to

dress in appropriate costumes, both during the day and at the evening dance. Prizes will be awarded for the best characterizations of the Dogpatch society set. Refreshments are to be served to those attending the hoedown.

Also at the 1 o'clock meeting, rules and regulations of the day's events will be reviewed.

In charge of the refreshments for the dance is Marion Cahill, decorations, Freda Ledford and Ann Post taking care of the music.

So long! Be seein' you there.

Jaysees To Meet Here All Day Thursday

More than one hundred students of government procedure in California junior colleges, representing ten lower division educational institutions, will participate in the Northern Section of California Junior College Student Government Conference at Hartnell College next Thursday,

March 20, according to preliminary registrations received yesterday.

Junior colleges that will be represented at the spring confab here next week and the number of delegates they are sending have been listed. This number includes faculty advisors.

Lux College in San Francisco is sending three delegates, Vallejo College, Vallejo, 11; Santa Rosa J.C., Santa Rosa, 15; East Contra Costa J.C., Martinez, 5; Napa College, Napa, 8; Yuba College, Marysville, 9; West Contra Costa J.C., Richmond, 20; Placer College, Auburn, 15; City College of San Francisco, 12; Monterey Peninsula College, Monterey, 12; Sacramento J.C. will send no delegates.

The tentative agenda drawn by George Jackson, conference chairman, includes Mr. John Cohan, manager of Radio Station KSBW; and Mr. John B. Lemos, Hartnell College president, as guest speakers at the student government conference. Mr. Cohan will give the keynote speech and President Lemos will present the welcome address to the student group.

Registrations on the conference day will begin at 9:15 in the main office and will be continued until 9:45 under the supervision of Sally McAnaney, commission representative.

A 15-minute coffee break will follow the completion of registrations and the morning general session will commence at 10 o'clock in the

Confab Chairman

GEORGE JACKSON

Stan Lovett to Wed

Former art and dramatic student, Stan Lovett, has announced his intention to marry a San Francisco girl. Lovett left Hartnell College at the end of last semester to attend art school in San Francisco.

While at Hartnell, he took several leading parts in dramatics class plays.

George Jackson Is Twenty-One

Whoopieee! Our little ole A.S.B. president celebrated his twenty-first birthday Friday night and if you don't believe me ask anybody who was there. There were enough. This unplanned "shebang" took place at Nancy Bock's home after the rehearsal of "Taming of the Shrew."

Enjoying the fruit cake, coffee, and other beverages were George Jackson himself, Bob Day, Nancy Bock, Tom Rogers, Ann Collie, Sharon Powell, Myrtlerose Craig, Mary Gray, Gladys Fagundes, Sam Vestal, Bob Heinzen, Barbara Brem, Eugene Morga, Jim Roark, Lutz Graf zu Muenster, Rowena Regli, and Betsy Forsyth.

Be seeing you next year, George.

Jackson on Air

"Adult" George Jackson will discuss the N.S.C.J.C.S.G.C. on the Hartnell College radio program on KDON this afternoon at 3:45. Ralph Rowland will stand on the opposite side of the mike from Mr. Jackson and ask minor questions of the A.S.B. prexy.

The time of the program has been permanently changed to 3:45, and the name of it is, of course, "Report on Hartnell." Dave Pearson, Ken Van Cleave, Mary Gray, and Myrtlerose Craig are also featured.

Watch Out Men! . . . Here They Come

Sally McAnaney and Phyllis Nutter get a head start on the rest of the Hartnell College gals in their yearly hunt for a man. Today at 1:00 the rest of the man-hungry college women will have a chance to stalk their favorite beaux. If Sally and Phyllis are successful in their hunt, they will have a chance to take him to the Sadie Hawkins dance in the women's gym where they may confront him with Marryin' Sam.

Play Story on Page 2

Fort Ord Group Well Received

Enjoyment reigned in the men's gym at 11 o'clock last Monday as five talented entertainers from Fort Ord presented one of the best assemblies of the year to the Hartnell student body. These professionals in khaki did everything from yodeling to semiclassical singing, and pleased the audience with every type of entertainment they presented.

Sgt. Thearon Atkins emceed the show and added to the joking and dramatic parts of the hour. Doing the yodeling and guitar playing was Tom Bowen. He accompanied himself in singing "Patent Leather Boots," "I Want to Be a Cowgirl's Sweetheart," and "Chime, Bells." Capturing the applause of the audience for his comedy and impersonation was Pfc. James MacGeorge.

Rudy Render sang and accompanied himself on the piano. His numbers were, "If You Knew Suzie," "Cry," and "Rum Boogie," for his encore. He also accompanied baritone, Jack Washburn, who sang "Great Day" and "Where Is the Life That Late I Led?" Washburn also collaborated with MacGeorge and Atkins in a com-

La Reata pledge cards may be purchased from all journalism students now, announced Phyllis Nutter, editor. These precious pledge cards can also be purchased in Room 9.

More than half the yearbook has gone to press already. The price is \$2.50 for A.S.B. card holders and \$5.00 for noncard holders. Cards may be purchased by paying \$1.00 down as a deposit, and payment of the balance may be completed when the book is received. Distribution will begin approximately during the last week of May.

A.G.S. to Meet

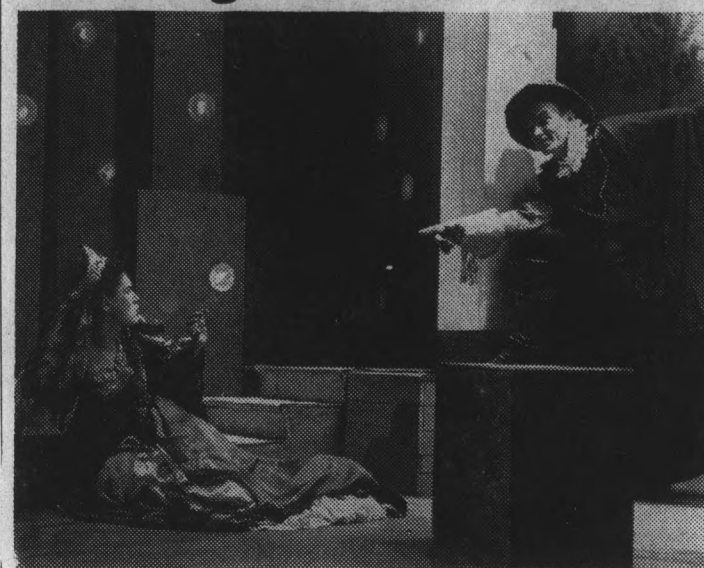

Alpha Gamma Sigma will meet Tuesday, March 18, at noon. Mr. Karl Bengston, instructor at Hartnell College, will relate his experiences in Korea. All members are urged to attend.

edy skit.

It was reported that Pfc. Bob Hunter, concert pianist, drew special duty and couldn't appear with the rest of the special service entertainers.

Taming of the Shrew

"The Sweetest Kate in Christendom" is shown being subdued by the dashing lover from Verona in the scene above. The shrewish Katharina is played by Elizabeth Forsyth, and boisterous Petruchio, the lover, is played by Tom Rogers (see story below).

Large Crowd Sees Taming of the Shrew

Hilarity ruled the "Taming of the Shrew" audience in the Little Theater yesterday afternoon as the matinee performance of William Shakespeare's most riotous comedy was presented to the Hartnell College students in its opening performance. The Bard's comedy of the battle of the sexes will be presented tonight at 8:15 and again tomorrow night in the Little Theater.

Although yesterday's performance was presented only to the students and faculty of Hartnell, adults are urged and welcome to attend

the evening performances. Judging from audience reaction at yesterday's presentation the play will be well worth the \$1.00 for adults and 50 cents for students—the admission price.

An attentive and convulsed audience professed having enjoyed the gyrations of Tom Rogers as Petruchio and Miss Elizabeth Forsyth as Katharina, the Shrew, as completely as they enjoy Hartnell's victories over M.P.C. in athletics.

Favorable comment was directed toward the bright set designed by Mr. Harold H. Ulrici, director; and towards the performances of supporting performers, Tom Grant, Mary Gray, Barbara Brem, and Grover Grant.

Favorable comment was also directed toward the costumes worn by Usherettes Joyce Hodge and Myrtlerose Craig.

Tickets may be purchased from cast members or at the Hartnell College main office. Reservations can be made at the main office or by calling 8057.

Rufus Jarman, "It's Tougher Than Ever to Get a Husband" (Saturday Evening Post, February 23, 1952).

Or . . . you know what a wedding is, that's a funeral where you smell your own flowers.

Take your pick, men, the girls have you surrounded! But, even with a hundred females to every 98-1 males, some men are taking a dark view of the prospect of teaming up with an eligible income tax deduction.

There's genuine and widespread alarm felt among women. Some feel it won't be long before women will have to purchase space to advertise their financial and physical assets. We can see it all now: "Lonely. Need man. Am 6 feet 3 inches short. Waist long, beautiful long black stringy curls. Baby face. Age—tempting. Love chess, yachts, and caviar. Will settle for beans. Father president of Pacific Oil Company. Phone 7-7777, collect."

Yes, sir, times have changed. The girl who sat sedately in the parlor painting china, sipping tea, and waiting for the next beau to court her, has been transformed into the girl of business. This is an aid because half of the young men contemplating matrimony expect their wives to bring in half of the income, at least for a few years. Since the modern girl is able and willing, the financial obstacle is no longer there.

For some it is frustrating, this wait for the right man. One maiden lady, a member of a prominent family in the South, went out of her way to give her friends the impression of a conquest at long last. She told her friends she was engaged to a dashing young fellow in Chicago; showed his photograph to many friends. Her friends gave her a big sendoff at the railroad station. Arriving in Chicago, she sent a telegram home, saying that her marriage was solemnized while her fiancé was on his deathbed. Wearing mourning black she came home with a casket. An old dowager friend privately asked the undertaker to see the corpse. She was shocked to discover that the picture and the corpse didn't match.

How the poor "bride" managed to obtain a corpse was never explained. Not having a real husband she had settled for an imaginary one. The girls of this age dream of a boy with greenbacks dropping out of his pants cuff, a cosmopolitan charm and a standing invitation at the British Embassy. Don't look behind you, girls, but there are several thousand others breathing down your lovely necks. The race is on!

Since the Korean war marriages have speeded up. There is an average of 5,028 "I do's" per day. But officials promise the "hand-writing on the wall," the day of reckoning. The census bureau says the rate must slow down. The population of single males is being used up.

What about salaries? The average income of single men in 1947

Hartnell to Attend WSSF Meet at Cal, March 22

A special W.S.S.F. meeting on Saturday, March 22, for chairmen, advisors, committee members, and student body officers is being sponsored by the A.S.B. of the University of California, announced Interclub Council Secretary Darlene Clizbe yesterday. She stated that at least one member of the Interclub Council will represent Hartnell at the meeting.

The Hartnell representative will probably be announced during the council meeting at 12:30 today. The committee of the World Student Service Fund committee at the college is composed of Lutz Graf zu Muenster, Freda, Ledford, and Miss Clizbe.

In a letter received from Dick Thomas, regional secretary of the fund, it was announced that Mr. Kurt Frey of the German World University Service Committee and also secretary of Studentenwerk will be the speaker at the meeting. He is one of the leading European spokesmen for the W.U.S., and was a delegate to the I.S.S. conference in Bombay in 1950.

The meeting will begin at 1 o'clock and end at approximately 3:30. It will be held in the Women's Club Room, Stephens Union, on the Berkeley campus. A primary purpose of the meeting will be for representatives of various schools to report on progress and to pool ideas concerning W.S.S.F. campaigns in their schools.

Final approval of a motion to support the Foreign Student Tour was voted by the council. It was reported that \$40 remains in the Council budget from last year's funds. The council decided to set this amount aside from its regular treasury.

Also on the agenda was the approval of April 4 as the deadline for Spring Carnival booth plans to be submitted to the Council. All booths have been assigned for the May 9 evening of festivities, so it only remains for each club to organize its individual plans for the deadline.

Flying Movie

A moving picture was shown to the Flying Club of Hartnell at its regular business meeting at 12:00 yesterday noon in Room 25, according to the club advisor, Mr. Darwin Peavy.

The film which dealt with the technique of flying properly orientated the beginners and those who are interested in flying. Non-members who are interested in flying were invited to see the film.

Kiln in Art Room

A new ceramic kiln has been added to the Art Room for future use of the ceramic students. A lithographic press will soon be available for the purpose of reproducing an artist's drawings, announced Mr. Amyx, Hartnell College art instructor.

Student to Draw Police Cartoons

Chic Chase, a freshman art major from Santa Cruz, is currently doing a series of cartoons for the Salinas Californian. Chase is doing the series in co-operation with the Salinas Police Department and a crime prevention drive.

The Salinas Californian is ending a contest today to name the character. Readers of the Californian have been submitting names for the past week.

According to Chic, he has been interested in art since he was six years old. He took art classes at Mission Hill Junior High School in Santa Cruz, and did art work for the Santa Cruz high school annual, the Cardinal.

Chase is studying cartooning in Mr. Leon Amyx's art classes.

Power Yet: The rafters of our sturdy men's gym are still vibrating after being hit by the terrific blasts of Fort Ord baritone, Jack Washburn's, meek voice last Monday. If all the U.S. Army is as powerful as that voice, why does Uncle Sam want us? One general comment on the whole show was this: WOW!

Eyed'ems: Nothing in particular has been dug up to fit in this space, but I do think that even Herb Caen would have been proud to coin the word used here. (If you want a picture drawn, I'm concenited!) So go climb on Tom Rogers' play horse (?) if you don't like it! (See Taming of the Shmoo if you don't understand.)

WOEISHE? Pity poor Michael McCann. Trying to be a good Samaritan, Mike loaned his Spanish grammar book to a Spanish I student while the second semester class was reading a mystery. Yesterday was the day for the big mid-term, but Mike was ready! He had to turn borrower instead of lender as the other students shared their books with him during the past week. Good luck, Mike! P.S.: Bring my book back soon!

Is Your Face Red? Check the Communistic complexions sported by some six or eight students this week. The reason for these embarrassed but colorful faces is that these characters, including Beacon Bob Adams, went skiing last week end under the rays of a hot sun!

The moral of this story should be, "If you're going to be near Senator McCarthy don't go skiing in the sunlight previous to this time unless you want your goose to be as cooked as your face," or "Don't be beet in the face if you don't want to be beat in the head!"

Much as it hurts, this columnist spelled Rowlgth Rauwhlind's name correctly in this week's P.S. Our apologies to Rauwlph Rhowlumd.

Cindermen Vie Against Menlo Junior College Today

Hartnell tracksters will vie with the Menlo Oaks at the Hart oval this afternoon in a dual meet. The meet will be the first of the current season for both teams. Bad weather has hampered the practice for the Panther cindermen, but the boys are reportedly in good shape for the meet. The Harts have but three returning let-

termen this year in the persons of Ray Dyer, Bob Ballard, and Keith McIntosh, who last year all placed in the conference meet.

In the sprints, the Panthers are well equipped with speedsters, Don Ikeda and Harold Harriman. Ikeda performed with Salinas high last year with a 10.2 in the hundred and copped the league championship. Harold Harriman is a Watsonville alumnus who ran second in the sprints for the Wildcats.

The 440 presents a problem to Coach Ed Adams, this event being handled by Dwane Herrman, King City athlete, and Darrell Millsagle, Santa Cruz. Neither boy has had much experience but are primed for a good performance this afternoon.

Two former Salinas high athletes, Randall Blair and Jack Forsyth, will handle the 880-yard run. Randall is still well remembered as a star halfback on the Panther football team this past season. The Harts should be able to pick up some points in this event.

The distances should give the Harts most of their points this year with Ray Dyer, Carl Cookson, Bob Alioto, and Paul Brown. Dyer, with extraordinary times of 4:46.6 in the mile and 10:53.7 in the two-mile, will lead the distance runners in their events this year. Carl Cookson, second man in the event, is a former C.C.A.L. champion; he won the event last year while setting a new school record of 4:37.7. Bob Alioto and Paul Brown are also top flight distance men but they may have a little trouble outdoing Dyer and Cookson.

The high and low hurdles will be manned by letterman, Keith McIntosh, Bob Adams, and Glen Winter. Keith, well known for his efforts on the track last year, should prove to be a valuable point maker for the Harts. Adams, known chiefly for his basketball ability, is also a top flight hurdler.

In the pole vault, the Panthers stand in a solid position, with Jim Ryan, Bob Peavy, and Bob Alioto as the competitors. Ryan was one of the top pole vaulters of the local high school league last year, and he, along with Peavy and Alioto, should be consistent point makers.

The broad jump is well under hand with Marty Norman, Jim Ryan, Don Ikeda, and Glen Winter. All of these boys are capable of hitting between 17 and 18 feet with consistency, a distance which is good enough to capture a few

Tennis Team Chalks Up First Win

Hartnell Panther racqueteers won their first match against Salinas Union High School on Monday, when they blanked the Cowboys, 7-0. The results of the matches were: Tom Grant - Jerry Sun, 6-2, 3-6, 6-3; Dick Herman - Nick Willis, 6-2, 6-4; Bob Moger - Troy George, 6-1, 6-1; Bob Monroe - Ronnie Meek, 6-1, 6-3; George Chin - Bob Grayson, 6-0, 6-0. Doubles results were: Grant, Moger - Sun, Willis, 6-3, 6-2; Herman, Monroe - George, Meek, 6-3, 6-2.

The tennis team is headed by veterans, Tom Grant and George Chin, the potential this year being far better than last year even though two first ranking players have dropped school. There are no outstanding individual stars, but the players are evenly matched which makes for greater intrasquad competition. The team on the whole has more strength than that of last year and should have a good chance for the conference championship, and also to again achieve the individual championship.

Hartnell won both the singles and doubles championship last year.

The team consists of Bob Moger, Dick Herman, Tom Grant, George Chin, Bob Monroe, Marty Forcade,

valuable points.

The high jump is handled by two returning lettermen, Bob Ballard and Keith McIntosh. Keith placed third in the high jump last year in the conference meet, while Bob placed fourth.

Big boys, Jim Brandon, Taylor Burton, Art Elkington, Dick Herman, and Bob Hawkins will take care of the weight throwing for the Harts. Taylor Burton, Brandon, Elkington and Hawkins will sling the discus, while Burton, Brandon, Elkington and Herman will handle the shotput.

Even with all of these promising candidates, the Panther cindermen appear to be quite a bit weaker than the championship team of last year. But with a little work, the boys may be able to pull out of it and bring home another championship for the Harts.

Noon Softball To Start Monday

Intramural softball will begin on Monday, March 17, with six teams entering. The players on the teams include the following:

SU COMS: Ray Dyer, Don Smith, Tom Grant, George Jackson, manager, Bob Adams, Bob Day, Ken Van Cleave, Bob Balkow, Jim Hitchcock, Sally McAnaney, Bob Peavy, Jack Albert, Lorraine Borba.

SAND DABS: Dick Johnson, Bob Ballard, Dennis Welch, manager, Jim McFarland, Annabeth Bird, George Anderson, Ron Reeves, Darrell Millsagle.

RAVIOLIS NINE: Tony Ruso, Emil Yappert, manager, Ron Rowe, Jim Ledgerwood, George Chin, Jim Roark, Babette Giannini, Darlene Clizbe, Al Brune, Carl Cookson, Bob Alioto, Ed Weber.

VALVE-IN-HEAD: Bob Larson, Bob Hawkins, Bob Koda, Paul Heinrichs, Randy Blair, Taylor Burton, manager, Lucy Papac, Glen Winter, Charles Cunha, Jack Forsyth, Charles McDonald.

Medals will be awarded for the first and second place teams. The games will be played at the softball diamond by the gym during the noon hour.

and Mits Ushida. Mr. G. Darwin Peavy coaches the team and urges the students to come out to watch the matches.

Hart Nine Wins Opener; Meets Alums Tomorrow

Panther baseball team will take on the Hartnell College Alumni at the Hartnell baseball diamond Saturday afternoon. The game will be the second played by the Hart nine this season, the first being against Pacific Grove High School last Tuesday afternoon, with Hartnell coming out

on the long end of the count, 4 to 1.

The ex-Hartnellites playing for the Alumni include Floyd Wilkie, Charlie Happ, infield; Finis Jeffers, catcher; Bill Cavali, first base; Tom Mill, infield; Bill Whited, pitcher; Al Navaroli, pitcher; John Alsop, catcher; George Jackson, catcher; Bill Casalegno, Ralph Macklin, and Dale Swire, outfield.

The starting lineup for the Harts will be: first base, Bob Steinbach; second base, Paul Friebe; third base, Marty Norman; shortstop, Bob Swan; left field, Norman Jackson; center field, Buddy Abreu; right field, Art Froli; and pitcher, Wayne Crook.
